Coach Barrow

Coach Barrow hails from the "Show me state," Missouri. Our boys showed him they know basketball, by winning the K.J.C.C.

This is his first year of coaching since returning from the army where he served in the rank of captain. Before the war years he coached four years in a Missouri high school.

Mr. Barrow is a graduate of Westminister College where he played basketball and baseball. He is married and the proud father of a baby boy.
